

SmartWASHER

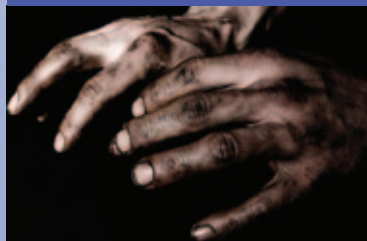

KEEPING CLEAN
While doing the things you love!

On vehicle washing facility

Dirty hands

Cleaning catch

Dishes...and more!

Great for:

- Utes / Trucks
- Caravan / Campers
- Contractors etc
- 20 litres
- Soap dispenser
- Hose fitting 1/2" BSP
- UV resistant

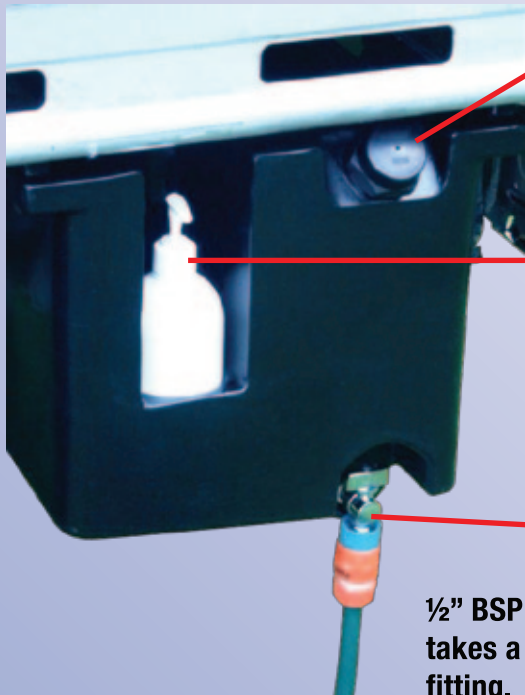

FEATURES

Large, angled filler cap is easy to top up.

Built in soap pump bottle makes washing up fast and convenient.

½" BSP stainless tap takes a standard hose fitting.

The SmartWasher is the perfect addition to any Ute, caravan, truck or camper. It mounts under the deck and has a generous 20 litre capacity. Its strong, UV stable, polyethylene plastic will last for years.

Always have washing facilities wherever you go with SmartWasher.
